## **Unforgotten Treachery**

## **Drowning the Light**

Pain and agony from our wrath Suffering is not enough Writhe in torment Your betrayal has not been forgotten Your false ideals and attitudes are not worthy You claim to serve under the master's name You serve for your own selfish game You dog of god Our dedication Our hatred Our intolerance For Satan It reaches to you Look down and see the blood See your end and know why Your support the sub humans We crush You tolerate the degenerates Heil Victory as we will not lose In his honour!
