

Angel (Interlude)

Dru Hill

Yo, yo, can y'all hear me out there?
Cool, cool
Allow me to introduce myself, ladies and Gentlemen
See, I go by the name of Big Woody Rock
And I'd just like to take this time right here
To just, first of all, thank you all for taking the time out to
listen to this album
Hope you're enjoying everything you're hearing so far
Right now I just think I need to dedicate this song
This next song coming up to every man, woman, boy or girl
Whoever and wherever you may be
Who has ever been in an relationship that just didn't quite wor
k out
Also, this song is dedicated to everybody who comes up to me in
all the clubs, supermarkets, airports
And everywhere else in the world asking me
"Woody, when you gon' do something? When they gon' let you sang
?"
Not knowing that, man, I sung all of "April Showers," a verse o
n "All Alone," a verse on "Five Steps," and about half the song
s on the album
But that's cool, y'all ain't know
Right now I just want you to sit back, close your eyes, kick yo
ur feet up and listen to this song right here
'Cause this here is for y'all
Yo Smiley, you ready? Ha, let's do this
