

I Should Be (Steps)

Dru Hill

Girl I know he ain't taking care of you
I can see it in your face
And I know that's not the man that you really want
You know

Yeah
Yeah
Whoa...
Whooa....

Lies and deceit
I Know, you feel this with your man
cuz' within all I see
Is crying

I should be your boyfriend
Cuz' you know he's lying
It might seem like Im hating (It might seem like Im hating)
But girl I'm just relating

Step 1, Walk through that door
Step 2, Tell him, he's not like he was before
You don't love him anymore
Now 3, come to me
Step 4, I love you more
You will see how love should be
But theres 4 steps to complete
Then what hes giving you

There was a time...when ...he tried ..to be the one who would
Give you what you deserved
But now he's not trying

I should be your boyfriend (I should be your boyfriend)
Cuz' you know he's lying (Cuz you know he's lying)
It might seem like Im hating (It might seem like Im hating)
But Im just relating

Listen Babe
Your what Im looking for
Our love would mean much more
Than what he's giving you
But you must let him know
That you can't take no more
Replace him with me (Someone who loves you more)
That be me
Send someone who deserves them (someone who deserves them)
You can't figure out
Got it all mapped out
