

The Love We Had (Stays On My Mind)

Dru Hill

I just can't believe it, girl
I can't believe that it's over
But I'm your man, and I'll be alright
But still, the love we had
Stays on my mind

Lately baby, I've been thinking
How good it was when you were here
And it ain't the wine that I been drinking
For once I feel my head is clear

But early this morning, when I opened up my eyes
That old lonesome feeling took me by surprise
I guess you meant more to me than I realized
The love we had stays on my mind
The love we had stays on my mind

And lately girl, I've been remembering
The good times that we used to share
My thoughts of you don't have an ending
And memories of you are everywhere

But why should I tell you, it's not your concern
You win some, you lose some
Well I've lost and I've learned
Sisqo's so lonely
With no place to turn
And here at the end, I find
Yes I do

The love we had stays on my mind
Girl, if you were nearer
If you had a mirror
Maybe you could count my tears

And if you were nearer
It would all be clearer
How I wish that you were here
How I wish that you were here
How I wish, how I wish
How I wish that you were here

And baby girl I was tired
So I laid down to dream for a little while
But lately I've been so, so uninspired
Without the comfort of your smile

But I'm not complaining
Cuz that's how it goes
There's always some heartache
In this world I suppose
But you can't imagine
But nobody knows

The love we had stays on my mind
The love we had stays on my mind
The love we had stays on my mind
