

## Attending a Cousin's Birthday Party

Drug Church

Hey cousin now break a leg  
Hey cousin no time to mend  
Hey cousin just cringe and hang  
Hey cousin a hose will bend  
Hey cousin dig me a grave  
Hey cousin now throw me in  
Hey cousin a pissing thing  
Hey cousin behind that rent

List of places I'd rather be  
Hell and all and all and all  
List of places I'd rather be  
Hell and all and all and all  
Two twelve year olds fight don't get involved  
Don't get involved at all  
Their dads smoke a joint in the back yard

Some kids get ugly fast  
Some kids were born all bad  
Some kids stay life long trash  
Most kids they learn from dad

List of places I'd rather be  
Hell and all and all and all  
List of places I'd rather be  
Them all, them all, them all, them all  
Two twelve year olds fight don't get involved  
Don't get involved at all  
Their dads smoke a joint in the back yard

Some kids get ugly fast  
Some kids were born all bad  
Some kids stay life long trash  
Most kids they learn from dad

Hey cousin just break a leg  
Hey cousin just break a leg  
Hey cousin just break a leg  
Hey cousin just break a leg  
Hey cousin no time to mend  
Hey cousin no time to mend  
Hey cousin no time to mend

Hey cousin no time to mend
