

Faithfully discharge
The duties of the office
And act in accordance
With the laws of the state

Faithfully discharge
The duties of the office
And act in accordance
With the laws of the state

You caught me doing what
We agreed I wouldn't
You charged me with fraud
And being spiritually truant

You caught me doing what
We agreed I wouldn't
You charged me with fraud
And being spiritually truant

So I throw myself on the court
Next time don't get caught
So I throw myself on the court
Redouble efforts not to get caught
So I throw myself on the court
Triple efforts not to get caught

Faithfully enlarge
All of my crimes
I feel it engorging
Busting through your jeans

Faithfully enlarge
All of my crimes
I feel it engorging
Busting through your jeans

You caught me doing what
You said I shouldn't
Charged me with murder and
Yeah, capital murder

You caught me doing what
You said I shouldn't
Charged me with murder and
Yeah, capital murder

So run then try
Not to get caught
Not to get caught
So run then try
Not to get caught
Not to get caught
