

## Driver's Story

## Dry Cleaning

It's those kinds of details that send out the best signals  
Stuffing for balloons  
Stuffing for balloons  
29th of the 9th  
No la la las at the start  
Replace with ooohs  
Ooooooh  
A special brew  
A man do  
A hen do  
Driver's story

I'm not the total package  
Costa Costa cups  
There's crumbs  
And there's jam  
In the bed

Ooooooh

Rough first part  
Love second part  
It's cool stuff but we want different styles  
Inside, outside  
I'm not mad keen on it  
Not a stand out for me  
One can only wait and not see

I've lost a jelly shoe, embedded in my innards  
Sinew, gristle, inside, outside

It's those kinds of details that send out the best signals  
Stuffing for balloons
