Dry Cleaning

Gary Ashby
Have you seen Gary?
Family tortoise

Are you stuck on your back without me?
Dogs running free
Dad's got blood on his head

We gave you our family name
In the lockdown you escaped
Gary Ashby

It was a bad surprise
Have you seen Gary?
With his tinfoil ball
He used to love to kick it with his stumpy legs
Shoop shoop shoop shoop
Shoop shoop shoop shoop
Shoop shoop shoop shoop

Have you seen Gary?
Family tortoise

Are you stuck on your back without me?
Dogs running free
