

Sit Down Meal

Dry Cleaning

We shared a sit down meal
Sometimes I get numb arms in bed
You're nothing but a fragrance to me now

We shared a sit down meal
Sometimes I get numb arms in bed
You're nothing but a fragrance to me now

We shared a sit down meal
Sometimes I get numb arms in bed
You're nothing but a fragrance to me now

Oh, to be a potion seller's apprentice
Words to come in this space here
You're nothing but a fragrance to me now

Sit down meal

We shared a sit down meal
Sometimes I get numb arms in bed
You're nothing but a fragrance to me now
