

Spoils

Dry Cleaning

I'm cool
With spoils
Just tell me who dies
Tell me who finds love
Run over by a
Squashed by a
Crushed by a
Crazy raisin

What's your problem huh?
Hot cuties ignore you
Making love to a fence
I can't believe how fast my hair grew back

We didn't pay too much attention to the music when we were playing this game because we were too busy having our minds blown by the graphics and scale of the 64 world, but it was always there accompanying our adventures, feeding into our ears, and now it's left an indelible imprint on our brains so that whenever we hear it memories come rushing back and we strongly recall exactly how we felt and thought at the time

Stream, stream
Stream my favourite shows
Just tell me who dies
