

# The Cute Things

## Dry Cleaning

Family circling wheel  
You talk like a greetings card  
But I admire you and your family vibe  
And I'm sorry that you got attacked by a dog

For you, sha-la  
For you, sha-la

I will reproduce and begin things  
Over and over and over  
We're stuck on the sofa  
You confuse me  
We're meant to be  
From the same egg, but you confuse me  
You confuse me  
Sincere things you say make me want to laugh  
And not in a good way  
And not in a good way  
And not in a good way, but it's ok

For you, sha-la  
For you, sha-la

Alien offshoot mushroom  
Going the gym to get slim  
Because he taught me to be a winner  
True

True melon  
Pepo  
For you  
I'm willing  
To change roles  
For you  
It's literally Blackpool  
You are most  
Certainly, to me  
For you  
A total work of art  
It's social history  
Leeds, Blackpool  
Total work of art  
A fearless spirit  
Total work of art  
My melodrama  
I hate it but I need it  
Playing drums  
Total work of art  
Big boxy hair fills the frame  
For you  
True melon  
A total work of art  
Total work of art  
For you
