

Goodnight

Dry Kill Logic

Now that I&
&face the world with pain inside.
Strange but I&
&can't understand the reasons why.
Forever is&
&a word that I cannot describe&
&that died the time we said goodnight.

It makes no difference, wrong or right&
&the time has come to say goodnight.

And how could I&
&be so sure but be so wrong?
And how could I&
&have a will so weak with a mind so strong?
And Only I&
&can tell the difference right or wrong.

It makes no difference, wrong or right&
&the time has come to say goodnight.
It makes no difference, wrong or right&
&I guess it's best we say goodnight.
