

Moscow

Dschinghis Khan

Moscow
Queen of the Russian land
Built like a rock to stand
Proud and divine
Moscow
Your golden towers glow
Even through ice and snow
Sparkling they shine

And every night, night, night there is music
Oh every night, night, night there is love
And every night, night, night there is laughter
Here's to you brother, hey, brother, ho!
Hey! Hey! Hey! Hey!

Moscow, Moscow, throw your glasses at the wall
And good fortune to us all
Ho ho ho ho ho - hey!
Moscow, Moscow, join us for a kazadchok
We'll go dancing round the clock
Ha ha ha ha ha - hey!

Moscow, Moscow, drinking vodka all night long
Keeps you happy, makes you strong
Ho ho ho ho ho - hey!
Moscow, Moscow, come and have a drink and then
You will never leave again
Ha ha ha ha ha!

Moscow
City of mystery
So full of history
Noble and old
Mo-Mo-Mo-Mo-Mo-Mo-Mo-Moscow
There is a burning fire
That never will expire
Deep in your soul

And every night, night, night there is music
Oh every night, night, night there is love
And every night, night, night there is laughter
Here's to you sister, hey, sister, ho!
Hey! Hey! Hey! Hey!

Moscow, Moscow, throw your glasses at the wall
And good fortune to us all
Ho ho ho ho ho - hey!
Moscow, Moscow, join us for a kazadchok
We'll go dancing round the clock
Ha ha ha ha ha - hey!

Moscow, la la la la la la la
La la la la la la la
Ho ho ho ho ho - hey!
Moscow, la la la la la la la
La la la la la la la
Ha ha ha ha ha!

Ooh, ooh, ooh, ooh...
Moscow, Moscow
Moscow, Moscow, take Natasha in your arms
You'll be captured by her charms
Ho ho ho ho ho - hey!
Moscow, Moscow, she will make you understand
Russia is a wondrous land
Ha ha ha ha ha!

(Moscow, Moscow)

And every night, night, night there is music
Oh every night, night, night there is love
And every night, night, night there is laughter
Here's to you brother, hey, brother, ho!
Hey! Hey! Hey! Hey!

Moscow, Moscow, throw your glasses at the wall
And good fortune to us all
