Bad Idea

Dua Lipa

Why's it so much better when we're not together?
Why's it feel so good when it's a bad-bad idea?

Will you protect me from the things that I want?
Will you be down and leave the second we're done?
I got one thing I want, I know that it's wrong

But I like to play with fire
I'll fuck you with no feelings left
Cruel intentions in my head
Hate it but I love the way I'm feelin' kinda reckless
I know that we had a past, I just want my power back
Hate it but I love the way I'm feelin' kinda senseless

It's a bad idea
But I can't help myself, no, I can't help myself
It's a bad idea
But I can't help myself, so I'll just help myself to you

Why's it so much better when we're not together?
Why's it-why's it feel so good when it's a bad-bad idea?

The taste of chaos on the tip of my tongue
I kinda like the crazy girl I've become
It's about time that I just have me some fun

'Cause I like to play with fire
I'll fuck you with no feelings left
Cruel intentions in my head
Hate it but I love the way I'm feelin' kinda reckless
I know that we had a past, I just want my power back
Hate it but I love the way I'm feelin' kinda senseless

It's a bad idea
But I can't help myself, no, I can't help myself

It's a bad idea
But I can't help myself, so I'll just help myself to you
(I got a bad idea, ha)

Why's it so much better when we're not together?
Why's it-why's it feel so good when it's a bad-bad idea?

No, I can't help myself (Ah)
Haha

I don't know what makes me feel this way (Feel this way)
I don't care because I like it (I like it)
I don't know what makes me feel this way (Feel this way)
But I won't stop because I like it

It's a bad idea
But I can't help myself, no, I can't help myself

(I got a bad idea)

It's a bad idea (No, no, no)

But I can't help myself (Help myself), no, I can't help myself (Help myself)

It's a bad idea
But I can't help myself (Help myself), so I'll just help myself to you

Why's it so much better when we're not together?
Why's it feel so good when it's a bad-bad idea?

Why's it so much better when we're not together? (Not together)
Why's it feel so good when it's a bad-bad idea?
(I got a bad idea)
