

Jealousy

Dua Lipa

The more I love you, the more I rip you apart
That's what you said when we were arguing
I gave you so much love, I left none for myself
And you took it all away and threw it right back, right back

You told me I'm a liar (Liar, liar)
You're acting like a fool
I'm allowed to hang out with my friends and without you
You're so in denial (Denial, denial)
And I'm so over you (You)
The more you push my buttons, boy, the more I see the truth

You're so full of that jealousy
It's running crazy through your body
Jealousy
It makes you wanna hurt somebody
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're so full of that jealousy
You know it only makes you ugly
Jealousy
You won't let anybody touch me
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're so full of that jealousy

It's you and your ego that's fighting for the crown
Maybe that is just your insecurity
I gave you attention, left nothing for myself
And you threw it all away, and I said "Fuck that" (Fuck that)
Fuck that

You told me I'm a liar (Liar, liar)
You're acting like a fool
The more you push my buttons, boy, the more I see the truth

You're so full of that jealousy
It's running crazy through your body
Jealousy
It makes you wanna hurt somebody
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're so full of that jealousy
You know it only makes you ugly
Jealousy
You won't let anybody touch me
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're being jealous

Huh, turn it louder
Jealous, so jealous
You so jealous
Owww!

You're so full of that jealousy
It's running crazy through your body

Jealousy
It makes you wanna hurt somebody
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're so full of that jealousy
You know it only makes you ugly
Jealousy
You won't let anybody touch me
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're so full of that jealousy
It's runnin' crazy through your body
Jealousy
It makes you wanna hurt somebody
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're so full of that jealousy
You know it only makes you ugly
Jealousy
You won't let anybody touch me
It's killing me
But I won't let it, baby, I won't let it
I wanna love you, but you're so full of that jealousy
