

# Levitating

Dua Lipa

If you wanna run away with me, I know a galaxy  
And I can take you for a ride  
I had a premonition that we fell into a rhythm  
Where the music don't stop for life  
Glitter in the sky, glitter in my eyes  
Shining just the way I like  
If you're feeling like you need a little bit of company  
You met me at the perfect time

You want me, I want you, baby  
My sugar-boo, I'm levitating  
The Milky Way, we're renegading  
Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight  
I need you all night, come on, dance with me  
I'm levitating  
You, moonlight, you're my starlight  
I need you all night, come on, dance with me  
I'm levitating

I believe that you're for me, I feel it in our energy  
I see us written in the stars  
We can go wherever, so let's do it now or never  
Baby, nothing's ever, ever too far  
Glitter in the sky, glitter in our eyes  
Shining just the way we are  
I feel like we're forever every time we get together  
But whatever, let's get lost on Mars

You want me, I want you, baby  
My sugar-boo, I'm levitating  
The Milky Way, we're renegading  
Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight  
I need you all night, come on, dance with me  
I'm levitating  
You, moonlight, you're my starlight  
I need you all night, come on, dance with me  
I'm levitating

You can fly away with me tonight  
You can fly away with me tonight  
Baby, let me take you for a ride  
Yeah, yeah, yeah, yeah, yeah  
I'm levitating (Woo)  
You can fly away with me tonight  
You can fly away with me tonight  
Baby, let me take you for a ride  
Yeah, yeah, yeah, yeah, yeah (Woo)

My love is like a rocket, watch it blast off  
And I'm feeling so electric, dance my ass off  
And even if I wanted to, I can't stop  
Yeah, yeah, yeah, yeah, yeah  
My love is like a rocket, watch it blast off

And I'm feeling so electric, dance my ass off  
And even if I wanted to, I can't stop  
Yeah, yeah, yeah, yeah, yeah

You want me, I want you, baby  
My sugar-boo, I'm levitating  
The Milky Way, we're renegading

I got you (Yeah), moonlight, you're my starlight  
I need you all night (All night), come on, dance with me  
I'm levitating (Woo)

You can fly away with me tonight (Tonight)  
You can fly away with me tonight  
Baby, let me take you for a ride
