

# Talk About It

Dua Lipa

Blame it on the night  
One too many at the dive  
Saw you called a thousand times  
Can't talk about it, won't talk about it  
Danced until I cried  
Took a hit and got too high  
Started questioning my life  
Let's not talk about it, won't talk about it

I'm waking up to messages  
Don't recognize the name  
I'm wondering who the F it is  
'Cause I don't know any Janes  
Somebody next to me in my bed  
Hold up, wait, this isn't my bed  
Telling myself never again, again

(Ah) I don't know what happened to my friends  
(To my friends) Or where I been  
(Ah) And I can't tell you how this story ends  
And I can't pretend

Blame it on the night  
One too many at the dive  
Saw you called a thousand times  
Can't talk about it, won't talk about it  
Danced until I cried  
Took a hit and got too high  
Started questioning my life  
Let's not talk about it, won't talk about it

Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Can't talk about it, won't talk about it  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Can't talk about it, won't talk about it

How am I in the club again?  
Said I was staying in (Ah, ah)  
Having another heart to heart  
With someone that I just met (Ah)  
And the next thing that I know (I know)  
Is I wake up in my clothes (Ah-ah)  
And the voice inside my head (My head)  
Says never again, again

(Ah) I don't know what happened to my friends  
(To my friends) Or where I been (Ah-ah-ah)  
And I can't tell you how this story ends  
And I can't pretend (Ah-ah-ah)

Blame it on the night  
One too many at the dive  
Saw you called a thousand times

Can't talk about it, won't talk about it  
Danced until I cried  
Took a hit and got too high  
Started questioning my life  
Let's not talk about it, won't talk about it

Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Can't talk about it, won't talk about it  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Can't talk about it, won't talk about it

Blame it on the night, blame the alcohol  
Blame anyone you like, 'cause I can't be held responsible  
Blame it on the night, blame the alcohol  
Blame anyone you like, 'cause I can't be held responsible

Blame it on the night  
One too many at the dive  
Saw you called a thousand times  
Can't talk about it, won't talk about it  
Danced until I cried  
Took a hit and got too high  
Started questioning my life  
Let's not talk about it, won't talk about it

Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Can't talk about it, won't talk about it  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Ooh, ooh-ooh, ooh, ooh  
Can't talk about it, won't talk about it
