Bankrupt
Never filled the tank up
Frozen was the lane runs
Nappy keep the edge tough
Like to keep my hair rough
Soaking up the air
Puff, puff, puff pass
Undetected sooth

Say, say you want forever
Ramen to cuisine
Say it's nothing better
Nothing in between
Say you want forever
Ramen to cuisine
Say it's nothing better
Nothing in between

I want nothing in between
I want nothing in between
Baby, can't you be with me?
I want nothing in between

Case with the county
Brought 'em my receipts
Scamming up a bounty
Never take a plea
Newly was accounted
Quite the fantasy
Bitch, I'm always clowning
Rolling up some leaf
I got dirt stains fucking up my new boots
Like to keep my shirt plain
When I'm around a new crew
They don't need to know things
Came across some new loot
I've been racking two brains
They be capping no truth

Silver on a river
Drowning on a spoon
Silver on a river
Dripping out the tooth
Silver on a river
Bleeding super proof
Gang dem liver
Caught me in the spoof

I feel bankrupt
Gotta fill the tank up
Frozen was our lane runs
Nappy keep the edge tough
Like to keep my hair rough
Soaking up the air
Puff, puff, puff pass
Undetected sooth

Say you want forever
Ramen to cuisine
Say it's nothing better
Nothing in between
Say you want forever
Ramen to cuisine
Say it's nothing better
Nothing in between
I want nothing in between
