I'm in the corner of the room where the bass' been burned  
And ... concert  
And this cocaine is rounding around in m brain  
Feelin I'm with the chick, I'm with no shame  
The DJ's playin', my hole body's sweating'  
They're talkin' to me, but I don't know what they're saying?  
I tell them singing all by the arm  
... the night still young,  
So, go grab your coat, we'll have some more coke  
... your body's gonna ... when you'll ahve a little stroke ... smell joint

Oh, no here we go again,  
I'm off my face a mucky weekend  
One day I'm gonna have kids and a wife  
But now, truly I just wanna live my life.

I'm on my way home from the mucky weekend  
'Cause they ain't one trading in the middle of the rain,  
... and I'm feeling low pain,  
Cocaine rounding around in my brain,  
She's on the back seat, asleep but what's her name?  
What's the big deal, I repeat it keeps playing!  
But I don't even like ... my mind is off

I'm off my bass!

...

'Cause she better wake up, as I wanna fuck her!

Oh, no here we go again,

I'm off my face a mucky weekend

One day I'm gonna have kids and a wife

But now, truly I just wanna live my life.
