

The moves strike in two stripes its movin  
Like turnpikes nothin happens like the master assassin  
We bring it with too much passion  
First chapter first page book of life  
I got yall shot to write lookin for your first aid  
I burn outa sight the master commander that be us  
Make it hot people got to understand that...

Dead is your script son sift through your issues  
Rip your skin tissue so fast that the wind whistles  
What you think your man missed you there really  
Searching for a gem crystal so dark  
Its mostly invisible  
So close to your physical  
I hid a cup too just like vitamins and minerals  
Follow that sacred ritual hip hoply committed tunes  
Trailed up on side why? stay tuned workin up the energy to cond
