

## Mad Zone

Dub War

I am a patient  
An you are a doctor  
Then I am a disease  
An you are a cure  
But you are as Ice  
And i am like fire  
You say your the truth  
But I know you're a liar  
You see I'm a saint  
An you are a sinner  
If you got a song  
I won't be the singer  
Your living in darkness  
Cause you ain't seen the light  
You're talking love and peace  
But all you wanna do is fight  
Mad zone mad zone mad zone  
Leave me alone i wona be in a  
Mad zone  
Mad zone mad zone mad zone  
Leave me alone i wona be in a mad zone  
If you are the judge  
Then where is the jury  
You tell me to be calm  
Well you scream in a fury
