

Dumb

Dubioza Kolektiv

Girl you've got to give all
Boy you've got to give all
Girl you've got to give all
Boy you've got to give all

All around the town you hear the bam, bam, bam
When you hear this sound you better run, run, run
Some of them a fool and shooting gun, gun, gun
Bullets flying, people dying one by one

Listen everybody, better listen to me
Open up your eyes, there is much to see
Why would you wanna make a rom-pom-pom?
Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!

Dumb, dumb, dumb
Dumb, dumb, dumb
Dumb, dumb, dumb
Dumb, dumb, dumb
Dumb, dumb, dumb
Dumb, dumb, dumb
Du-dumb, du-dumb
Du-du-du-du-du-dumb!

Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!
Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!
Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!
You gonna shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!

[x2]

Your body starts to shiver
With your finger on the trigger
Are you ready to be killer?
It's a murder!
Do you wanna reconsider?
Put your finger off the trigger
You don't wanna be a killer
It's a murder!

Listen!

Eye for an eye to be blind, blind, blind
Don't believe the hype cos it's a lie, lie, lie
No reason would enough to justify why, why
Put a bullet in a man and let him die, die, die

Listen everybody, better listen to me
Open up your eyes, there is much to see
Why would you wanna make a rom-pom-pom?
Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!

Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!
Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!
Shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!
You gonna shoot a man and end up in a jail
Dumb, dumb, dumb, dumb!
