

## It's Over

Dubstar

Search lights dim out  
inside my house  
I've played thsi inning for quite a while  
Guess what - they ran me out  
I've faced the ending  
One message sent  
It's over  
Hardly been here  
If this is all  
It's over  
And all this amounts  
to my wasted chance  
Friendship, food, rent and parents  
was all I meant  
So no more talking  
No more smiles  
It's over  
No more effort  
No more lies  
It's over
