

BOW

Duckwrth

I just wanna save you
I wonder "Are you satisfied?"
Blood runs down from my knees
From bowing to your imagery
Who am I? (Who am I?)
And I'm too crazy, eye to eye (Crazy eye to eye)
Worship what you advertise
Frost starts coming, grand disguise

Fuck that (Ooh)

That boy nothing but trouble
You ain't no God (God)
I can never bow to your face, fuck humble
Huh, burn that (Burn it all)
I can never bow to your face (Huh)
That boy nothing but trouble
That boy nothing but (Ooh)
