

# Escapist

Duckwrth

Watch me, watch me  
Watch me, watch me, watch me, watch me

Come, come  
Come with me, come with me  
Take a ride, take a ride  
Take a seat, take a seat  
Fuck your phone, fuck your phone  
You're with me, you're with me  
Let's escape, let's escape  
We need some peace

I'm not quite here, I tend to disconnect  
These hoes got me tense, so I'ma press "eject"  
You text me on the plane, I'm just tryna watch Shrek  
I know that I'm a mess, somehow you're still impressed  
Pressed, pressed, go

She probably thinking that I'm on mission  
They call me a dog 'cause I'm chasing the kitten  
But really, I'm stressed, so this car get to whipping  
I'm whipping, I'm whipping, I'm revving my engine, they sending me text  
If I don't reply, then they ass get to trippin'  
I'm copping a ticket, I'm getting some distance  
So blow me some kisses, bitches

Sometimes I feel uncomfortable, uncomfortable  
So I gotta go, I gotta go  
Gotta go, gotta go  
I gotta go, I gotta...  
Watch me, watch me, watch me, watch me

Come, come  
Come with me, come with me  
Take a ride, take a ride  
Take a seat, take a seat  
Fuck your phone, fuck your phone  
You're with me, you're with me  
Let's escape, let's escape  
I need some peace, I need it, huh!

I might move to the 'burbs to get some peace  
I need peace  
I might drop five bands to get a freak  
I need your freak  
Don't ever pass me the check 'cause I'ma tweak  
I'm spending cash  
I'm a Pitbull terrier off the leash  
Hold on

Y'all think I'm ripping and rapping, I rap like it's fitness  
I'm flexing on hoes, I ain't getting specific  
I'm getting some diamonds if I'm feeling different  
I bust down my teeth, I can't go to the dentist  
I'm making decisions with no consequences  
Please don't call me shallow, I'm sensitive  
Running away with these Benjamins

TSA like, "Oh, it's him again"

Sometimes I feel uncomfortable, uncomfortable  
So I gotta go, I gotta go  
Gotta go, gotta go  
I gotta go, I gotta...  
Watch me, watch me, watch me, watch me

Come, come  
Come with me, come with me  
Take a ride, take a ride  
Take a seat, take a seat  
Fuck your phone, fuck your phone  
You're with me, you're with me  
Let's escape, let's escape  
I need some peace, I need it, huh!

I gotta get out of here  
You should really  
Watch me, go  
Get the fuck out of here  
You should  
Watch me, watch me, watch me, watch me
