Duckwrth

Fall back (back, back, back)  
Fall back (yeah, yeah, yeah)  
Fall back (back, back, back)  
Fall back (yeah, yeah, yeah)  
(I don't know what these niggas is talking about. I'm the king of this god f  
low shit)  
Fall back

Guess who's back in the cockpit  
With no hands on the wheel  
No stopping  
Flip your mind upside down now you nauseous  
Projectile flow  
Make a weak man vomit  
(Blough...)  
Seat belt off  
Not a damn thing cautious  
Swerving thru the incoming traffic  
All bass slapping  
Mutha fuck a piggy  
And their mutha fucking badges  
Catch a right hook  
Like the verses don't matter  
And I'm so tired of your flexing and trappin  
A mouth full of fist stops any chit chatter  
Three stacks of francs but it ain't pink matter  
Euros in the safe, blue bills in the mattress  
Fraudulent phonies, I award you a Tony-  
Award, my nigga you a damn good actress  
Yo girl's silicone  
Your jewelry's all plastic  
Back back while I'm spazzing

Fall back (back, back, back)  
Fall back (yeah, yeah, yeah)  
Fall back (back, back, back)  
Fall back (alright, alright, alright, alright)  
Fall back

Fall back like summer never came  
Back back homie  
You don't really want the flame  
50 niggas deep  
Ganged up at the creek  
If you wanna play beef  
That is not a fair game  
That's aces of spades  
The jack of all trades  
Tuck in your jewels or they're jackin yo chain  
Funk with the crew and you're catching the fade  
That ain't a gang, you Shania like Twain  
Don't be the lame to play super hero  
Cause that'll be good way lose your dentals  
Tooth and dental, all incidental  
Head banging on a two fresh instrumental  
Now back the fuck back  
While we go dumb, yo

Face all stuck like 100 thumb tacks  
Banned in the city  
Like its bad brains in me  
With my face all shitty lil homie  
Fall back

(Ooh ooh wai...ooh wait  
It just goes out like that?  
Huh huh, no...)

Settle down  
Settle down won't you say  
Settle down, settle down  
I'm in a black car racing through a incoming lane, so insane, it's not a game  
Yeah  
Settle down  
Settle down won't you say  
Settle down, settle down  
I'm in a black car racing through a incoming lane, so insane, it's not a game  
Yeah

Fall back!

(Back back back)  
Fall back  
(Yeah yeah yeah)  
Fall back  
(Back back back)
