

# Hoe Phase

Duckwrth

Baby girl Keisha, freak of the weekend  
She likes long walks and stands on the beach, yeah  
Boyfriend ain't shit (And yet she is), on the low he creeps (On the low)  
But he keeps the cuff like, uh, he the police (Ooh-ooh)

Broke up with a dude last month, now she tryna see what's up  
I saw her and she and she and such and such, who gives a fuck?  
She's finally free, she's calling me and telling me to pull up at three

I like it when it's simple, I like that you ain't bougie  
The backseat of my Jeep or the back row at the movies  
You usually don't do this, uh  
One, two, three, four

My friends told me you're in a ho phase  
Funny thing is I feel the same way  
'Cause life takes sweet in a ho phase  
Things can get messy, but you already know  
Ooh-ooh  
Ooh-ooh  
Ooh-ooh  
Ooh-ooh

Is it crazy (Huh) to ask my friend about her friend?  
And about the phase that she's been in and if she's down, put a good word in  
I know you wanna see your besties win, me and her together, that's excellent  
And she broke up with her boyfriend, would you say that's irrelevant?  
'Cause what she do with who and who, won't include none of you  
So my plans are falling through, guess I'll find somebody new

You usually don't do this  
But I do

My friends told me you're in a ho phase (Ooh)  
Funny thing is I feel the same way (Same)  
'Cause life takes sweet in a ho phase (Ooh, sweet)  
Things can get messy, but you already know

Sweet  
Sweet  
Sweet

Sweet, sweet, sweet fixation  
Doin' freely, that rotation  
Yeah, on the moon  
It's on the phases, the moon  
Sweet, sweet, sweet fixation  
Doin' freely, that rotation  
Yeah, on the moon  
It's on the phases, the moon
