

Hurricane J.I.M.

Duckwrth

Mm

Hurricane
Maybe you should meet me in the middle, huh
No pain
Novocaine in the hospital, fuck
Feels good (Ayy) just to let go (Go)
I'll see you at the next show (Show)
Got my white friends on the South Side
Who let Becky in the ghetto?

The hurricane is coming
Hurricane, it keeps on moving
I found peace in the middle
Where everyone around's going stupid
Hey

Woah-ooh
Fucked up
Woah-ooh-ooh
Fucked up
Woah-ooh
Fuck 'em up
Woah-ooh
Fuck

Eye of the storm, it looked like a mosh pit (Huh)
I saw Jesus in beautiful garment
Floatin' above me, I was exhausted
Angels and the demons started dashin' and mashin'
Pissin' me off, I got socked in the jaw
It was blood everywhere, and I look like Saw
I kinda like it, you got a big bark
Take a bite, bitch, grrrr

The hurricane is coming
Hurricane, it keeps on moving (Keeps on movin')
I found peace in the middle (Ayy)
Where everyone around's going stupid (Ayy)

Woah-ooh
Fucked up
Woah-ooh-ooh
Fucked up
Woah-ooh
Fuck 'em up
Woah-ooh
Yeah

I escape when I'm pissed
Arms, fist, legs, wrist
I escape when I'm pissed
Arms, fist, legs, shit
Huh, huh, huh, hey
Huh, huh, huh, hey
Huh, huh, huh, hey
Huh, huh, huh, let's go

I, knew it'll come and then it came
Hurricane, hurricane
I found peace, and hurricanes
I found peace

Chapter four, there may be hope
