Look  
I know I haven't been the best boyfriend and all  
But I got a little something special for you  
You know?  
So what do you say?  
Can I see you around 4?  
Alright, I'll see you soon

One, two, three, four  
Yeah, yeah  
LA traffic blocking the streets  
Taking way too long to see the one you should meet  
When I called you on the phone  
I was stuck in a jam  
Hot damn  
I'll be there at a quarter to 3

LA traffic  
LA traffic  
LA traffic  
LA traffic

I was caught speeding on the 105  
And the pigs pulled me over with that look in their eyes  
I said I'm tryna see my shawty with a little surprise  
Bye, bye  
Then they sent me off to jail tonight

LA traffic  
LA traffic  
LA traffic  
LA traffic

Whoa-oh-oh  
LA traffic  
LA traffic  
Whoa-oh-oh  
LA traffic  
Whoa-oh-oh-oh-oh  
LA traffic

What you say to me?  
Baby, what you say to me?  
I don't really even know what to do  
They gave me one call and I try to hit you  
You didn't pick up 'cause we had a big ol' fight  
You didn't know I had a little surprise

Now it's Monday and my nigga paid my bail  
I hopped up in the car hoping that ain't fail  
I pulled up to your casa with a gift in my hand  
Hot damn  
I saw you with another man

LA traffic  
LA traffic  
LA traffic

LA traffic

What, what, what?  
LA traffic  
With the what, what, what?  
LA traffic  
With the what, what, what?  
LA traffic  
With the what, what, what?  
LA

Who the fuck is that?  
Yeah, I looked up in the window  
And I saw another man  
Who the fuck is that?  
Who the fuck is that?  
Why you with another dude?  
Every time I come back?  
Who the fuck is that?  
Who the fuck is that?  
Oh, you saying that's yo' bestie?  
I don't think that's facts  
Who the fuck is that?  
Who the fuck is that?  
Huh, I'ma find a new girlfriend  
And we gon' be a perfect match  
And you gon' be like, "Who the fuck is that?"  
And you gon' be like, "Who the fuck is..."
