

## Link Up Time

Duckwrth

Yeaaaahhh  
Don't wanna block these blessings yeah  
Why do you keep stressing yeah?  
Why are you so pressed?  
When I don't check my messages  
She ain't get the message yet  
I'm just with my friends  
Who is it  
Who is it  
Oooh is it Link Up Time?  
If it go down, crunch time  
We eat these boys up like lunch time  
Promise you don't want mine  
I got the gang on the front line  
Them boys tough online  
The only time we take a break  
When it's smoke blunt time

Huh huh  
Why You sensitive?  
Huh huh  
When we, get it in  
Huh huh  
Mob deep, ganging up  
Huh huh  
Slow creep  
In a truck

I had goals, put rose gold in my dental  
I know  
Swing them doors  
Butterfly, that's no rental, I know  
When we outside you always got issues  
I know  
Drop that pen, link up time, I hit you when I'm close
