

Mask Off (Feelings)

Duckwrth

I don't wanna be safe no more!
They told me it was hell and more
Right outside of my door
So I... stayed in
Now I'm asking what for?
Ooooh Feel like I'm Future with the mask off
Screaming I won't be idle anymore!
Shit, And I'm fresh out of patience
(Ooooooh say)
Jesus
Mother Mary
Shake the dice
Shit is scary
Throw the dice
Hail Mary

But the only thing I'm trynna catch is
Feelings for you
(All in my feels)
I got them, Feelings for you
(You know it's real)
And if you're feeling me
I'm feeling
You too
(You too, you too)
I got them, feelings for you
(For, for, you)

I don't wanna be safe, bitch I'm jumping out the window
Hanging out the roof and blowing indo'
I'm out of my cage
And if you know the info, addy, drop it like it's Limbo
I just really wanna rage
Fuck your xanni, where's the Cliquot
We can make a movie Tarantino
I don't wanna be saved
And I'm nasty like I'm Rico
Neck on frio, no pequito
(Okay)
Jesus
Mother Mary
Shake the dice
Shit is scary
Throw the dice
Hail Mary
All the way up one time for me
Holy water
Hallelujah
Throw it on me
My anxiety is out the roof
As you throw it back baby

But the only thing I'm trynna catch is
Feelings for you
(All in my feels)
I got them, Feelings for you
(You know it's real)

And if you're feeling me
I'm feeling
You too
(You too, you too)
I got them, feelings for you
(For, for, you)

But the only thing I'm trynna catch is
Feelings
I got them, Feelings
And if you're feeling me
Feelings
(I'm feeling you too)
I got them Feelings
For you
