So what do you want to be when you grow up?
Michael Jackson

I just wanna throw my hands
I just want a mic with a stand
I just wanna
I just
I just wanna catch one glance
I just wanna see you dance, girl
I just wanna
Uuuuuugh
I just wanna shine like Mike
I might moonwalk on site
I just wanna shine like mike
I might moon walk on site
I just wanna
I just
I just wanna ride my bike
And if you don't mind, we can ride all night
Talk to me
I just want a art school chick
That really likes foreign flicks
I just wanna
I just
Boyfriend jeans and vans for the kicks
But still dumb thick
Girl, I just wanna (uh)
I just wanna sports car
Manual stick
Candy paint tokyo drift
Let's shift
I just wanna blow yo mind
And lucky for you the hook's right on time
Talk to me say

I just wanna show you something
You can put your guard down
We can be some stars now
Little momma why you frontin
You should put your guard down
We can start now
Bitch

I just wanna be
I just wanna be yours
For the night
I just wanna be
I just wanna be yours
Is that alright
I just wanna be
I just wanna be yours
For the night
I just wanna be
I just want to be yours

I just wanna jig like mike
I just wanna spend my night

With you girl
I just
I just wanna be your type
You da model type, you ain't even my height
Girl I done
Been climb trees since I was like 3
With the palms in the sky, and the sun with the breeze
You're entitled to have so much fun with me
When your song comes on, throw the buns at me
Proceed to make it bounce like a Chevy with hy-
Drolics while we frolic threw the clouds in the sky
If we bounce that high
You may need a parachute
Some cushion in yo boots
And some peaches for your pie
Imma eat that peach
Then beat
The walls
Down like Jericho
Til it falls
Water
Works
Put in
Work
Hop in the
Rocket
Peace
Skrrt

Hold on
Wait
I can't hear you
I still can't hear
I still can't hear
Your gonna have to
Speak up

I just wanna show you something
You can put your guard down
We can be some stars now
Little momma why you frontin
You should put your guard down
We can start now
Oooowwww, I just wanna be
I just wanna be yours
For the night
I just wanna be
I just wanna be yours
Is that alright?
I just wanna be
I just wanna be yours
For the night
I just wanna be
I just want to be yours

Run that back

I just wanna be
I just wanna be yours
(I can be your only)
I just wanna be
I just wanna be yours
(For one night, is that alright?)

I just wanna be
I just wanna be yours
(I can be your only)
I just wanna be
I just wanna be yours
I just wanna
I just wanna

(I can be your only)
(For one night)
(I can be your only)
(For one night)
