

Patrick

Duckwrth

Uh, oh-oh-oh
Oh, yeah
Oh-oh-oh
Huh, shit

Good guy, bad decisions
Mama warned me, I didn't listen (She did)
I'm so stubborn, all I see is tunnel vision (I see it)
Taurus in me, so it's coded in my system
Zero, zero, one
Tryna break the rump-a-thump (Ooh)
But even when I try
I am still my daddy's son
Therapist said abstinence
Bitch, I'm not a nun
Put it on my tongue
Know you got me sprung

Who making the spring feel much colder? (You did)
Who makes you look over your shoulder? (It does)
When you're fed up, do you say it's over? (Do you?)
When it's over
She's in love with psycho
Yeah, ooh, yeah, oh
She's in love with psycho
Yeah, ooh, yeah, oh
She's in love with psycho

Psycho like I'm Patrick
But you like my passion
Use to obsess on how the chain would hit the fabric
Use to make bets
On who would fall in love the fastest
We lost the magic
That's always tragic
All around the world
I've been chasing temporary pleasures (Chasing)
But none of that will ever measure (None of them)
Close to you to you, to you

Who making the spring feel much colder? (You did)
Who makes you look over your shoulder? (It does)
When you're fed up, do you say it's over? (Do you?)
When it's over
She's in love with psycho
Yeah, ooh, yeah, oh
She's in love with psycho
Yeah, ooh, yeah, oh
She's in love with psycho

Oh-oh-oh
Oh, yeah
Oh-oh-oh
