

# Ugly Overture

Duckwrth

This thang on?  
What's up nigga?  
Now look, just because it's a mixtape  
Don't mean you ain't gotta go hard  
Nigga I need all the ugly  
I need all the funk  
I need to see cake baking  
Booty shaking  
It better not be one dry booty in the vicinity  
After you play this  
You act like you know what time it is  
Nigga it's time to get ugly  
I need all the booty sweat  
And all the money checks  
This ain't no time to play  
Better wake up today  
All the booty sweat  
Nigga, wake your ass up  
Wake up-up-up
