

# Holy Water

Duff McKagan

We drank holy water  
Burned down the altar, yeah  
Moved through the city  
Killed men with no pity  
Don't know how many

Oh, oh, ohh  
Oh, oh, ohh  
Oh, oh, ohh  
Oh, oh, ohh-ahh

Put on all your battle rings  
Unfurl the warring flags  
Scream until you rattle up the tram  
The drunken stags

It's kind of morning  
So gather up your friends  
Feels like the time is right  
To think about the end

Oh, Mother Mary  
When will you come to me? Oh

We drank holy water  
Burned down the altar, yeah  
Moved through the city  
Killed men with no pity  
Don't know how many

Oh, oh, ohh  
Oh, oh, ohh-ahh

Yeah, we bounce in the hills  
And we hear about dying  
There's just no way it can be true  
We know that they are lying

Oh, Mother Mary  
Why won't you come to me? Oh  
Oh, oh, now Mother Mary  
I'm not the enemy, no

We drank holy water  
Burned down the altar, yeah  
Moved through the city  
Killed men with no pity  
Don't know how many

We kissed holy water  
Burned down the altar, yeah  
Drank all of the whiskey  
Killed men with no pity  
Still don't know how many

Oh, oh, ohh  
Oh, oh, ohh

Oh, oh, ohh  
Oh, oh, ohh  
Oh, oh, ooh-ahh
