

# ALL THAT

Duke Deuce

If it's fuck me then it's fuck you  
(I'm on all dat)  
Fuck 20s I got the blues  
(I'm on all dat)  
I came from shit this breaking news  
(I'm on all dat, I'm on all dat, I'm on all dat)  
It's my side or suicide  
(I'm on all dat)  
Park the ship hop out slide  
(I'm on all dat)  
A bru stop playing with them guys  
(I'm on all dat, I'm on all dat, I'm on all dat)  
Whathafuuuuck aye aye

Trouble easy to get in  
But it's hard to get out  
Keep my name out your mouth  
Keep my name out your mouth  
Trouble easy to get in  
But it's hard to get out  
Keep my name out your mouth  
Keep my name out your mouth  
I took the cat for a spin  
Then put that bitch in the wind  
If it got my name on it

Just know that shit gone go in  
Don't never downplay my dog  
We ain't blood but that don't mean we thin  
Naw he wasn't talking about me  
But I hit that bitch in his chin  
I ain't nothing like these rappers  
In this game that's riding dick  
I'm a motherfucking mane  
You ain't gonna treat me like no bitch  
I ain't folding all my soldier  
Who stepping in this shit  
And I'm standing on all 10  
I don't give a fuck about no clique bitch

If it's fuck me then it's fuck you  
(I'm on all dat)
