

All White

Duke Deuce

All white forces same color as da jersey
Cop a bow for 15 charge a nigga 30
I'm in da trap, 'shwww' 'haa'
Left dat bitch dirty
Brewster ass nigga keep on moving got me nervous

I just bought a brick for like 15 thousand
Get it to the credit Juiceman Money Piling
Cop a chicken dawg young juiceman buying islands
4 rings on but I don't own an Audi
Smoking up the gas so my car kinda cloudy
Trapping like a fool but my profit 30 thousand
Late night trapping serving out them public houses
Skirt skirt skirt skirt that's a 100 thousand

These brewster ass nigga sitting on the couch I'm servin'
Ima still make a play I think I see the police lurkin'
All my opps some bitches Ima go buy y'all some purses
Ion need no pill to pop ya bitch ass nigga poppin perky's
When I come up this time dat shit gone be personal
I hit up all ya stash spots ya can't even leave no work in der
Pull up to da trap bitch I'm the clerk in there
I get on some hot shit a Hot Boy just like Turk & 'nem

All white forces same color as da jersey

One false move get hit with the four fifth
Put up on a magazine gave that boy the whole clip
Champagne knock his top off
Trap get the rocks off
Monday night serving raw
Touch the dope I get it off
Plug don't do man in the middle
Contraband got compressed in my vehicle
Numerical my scale gone do numbers
We crashing but only for commas
Bomb in the hood I'm Osama
Note in my pocket like backs on some lama's
Can't get it off why the fuck would we front ya
We serving gas from winter to summer

Batman black forces on time for robbin
LGBTQ P's in my closet
With some drug lordz so my money tall as hobbits
Black and white diamonds got these bitches dick hopping
Supercharged engine so the police can't stop me
Neighbors down the street constantly tryna baller block me

I should write a bible cus I'm all about a profit (prophet)
Dropping Bo's on my circle you'll think it's a mosh pit

All white forces same color as da jersey
