

# Body

Duke Deuce

Oh (Evil G, G, G), Tryna catch me a body  
Tryna catch me a body  
Tryna catch me a body  
Body

Tryna catch me a body, tryna catch me a body (Body)  
Tryna catch me a body (On God), tryna catch me a body (On God)  
That choppa go off the wall (Choppa go off the wall), I caught me a body (I caught me a body)  
We going block to block (We going block to block), tryna catch me a body (Catch me a body)  
Tryna catch me a body, tryna catch me a body (Tryna catch me a body)  
Gotta catch me a body, gotta catch me a body (But, don't tell nobody)  
That choppa go off the wall (Off the wall), I'm catching a body (I'm catching a body)  
We going block to block (Block to block), tryna catch me a body, yeah

Stacks on his head, yeah, I want that bitch dead  
If you not a shooter, my nigga, then how do we play it?  
Sneak in your house, my niggas they making your bed  
He tougher than nails, my niggas they combing your head  
Send him to the meds, then follow the truck  
We feel that he ain't dead, we flipping the truck  
I'm fresh as a fuck, my [?] be tucked  
I push that button you know, we ain't giving a fuck  
All I can see is blood, I'm a demon  
Woke up and take him out in the evening  
How you gone try to beef if I eat it?  
How you gone make a thread then delete it?  
That's on God, I'm a menace  
We ain't bottlin' these niggas  
Ain't got no heart for these niggas  
We gone mob in these bitches

Tryna catch me a body, tryna catch me a body (Body)  
Tryna catch me a body (On God), tryna catch me a body (On God)  
That choppa go off the wall (Choppa go off the wall), I caught me a body (I caught me a body)  
We going block to block (We going block to block), tryna catch me a body (Catch me a body)  
Tryna catch me a body, tryna catch me a body (Tryna catch me a body)  
Gotta catch me a body, gotta catch me a body (But, don't tell nobody)  
That choppa go off the wall (Off the wall), I'm catching a body (I'm catching a body)  
We going block to block (Block to block), tryna catch me a body, yeah

Shoot 'em up, Shoot 'em up, Shoot 'em up  
These niggas better act like they know us  
Taking a seat and recruit 'em up, we only fucking with the soldiers  
No, we ain't shooting no house, dawg  
We gone make sure you get your ass knocked off  
I'm drippin', cruising, we quiet we not soft  
Don't make me send out them guys, I'm top dawg  
Ooh, I can't wait to see him on the news  
We ain't squashing shit, we cool  
Don't know which gun to choose  
King of the heaven, it's true

Take a look at my jewels  
Out of town, chilling, bodies get dropped  
Catch a nigga slipping, right on the block  
Losing all my feelings, fuck all the opps  
It's fuck all the opps  
How you gone go to war if you broke?  
Quickest way to get a tag on your toe  
Knowing damn well you don't want no smoke  
Nigga fuck around, we wiping his nose

Tryna catch me a body, tryna catch me a body (Body)  
Tryna catch me a body (On God), tryna catch me a body (On God)  
That choppa go off the wall (Choppa go off the wall), I caught me a body (I caught me a body)  
We going block to block (We going block to block), tryna catch me a body (Catch me a body)  
Tryna catch me a body, tryna catch me a body (Tryna catch me a body)  
Gotta catch me a body, gotta catch me a body (But, don't tell nobody)  
That choppa go off the wall (Off the wall), I'm catching a body (I'm catching a body)  
We going block to block (Block to block), tryna catch me a body, yeah
