Duke Deuce

We ain't doing no kissin  
Drinkin on dizzy  
Naw, I ain't answering my phone  
Lil momma I'm busy  
Wrist game glizzy  
Look how we living  
How your money long?  
Cause I stay busy

We ain't doing no kissin  
Drinkin on dizzy

Bitch, hop in a Jag or Cat I'm goin crazy  
Drink a lil lean smoke weed now my eyes getting lazy  
Cranberry burbury shirt but my pants grey  
Nigga play with S.L.I.M.E get sprayed

Seals on the paint and the racks blue  
Pounds in the book bag like I'm going to school  
Sprites on the shoes, got slits in the jeans  
Ooh, get wavy. Ooh, Biscotti blunt  
Ooh, I face it. Ooh, I'm comin with cadence  
I just pulled your card, and I ain't think about it  
I'm makin' your boy never tell about it  
Pockets full of bankrolls, not a wallet  
Yeah, I rock the cars green 'cause I'm always slatty  
I'ma clear the scene, they gon' televise it  
I'm ridin' with the Mob like I'm John Gotti  
.40 with a dick and it's red-dotted
