

DEUCIFER

Duke Deuce

A new era has began. A new light has risen from a massacre, a Memphis Massacre. Bread from solitude, fed by darkness. Blessed to be cursed or cursed to be blessed. A new king shall sat upon the thrown. I present to you, "Deucifer"

Deucifer causing Masa Steria
Rappers they know I'm the predator
They study my moves and eat the sound up
They take the old shit then I level up
This shit that I drop it be medical
They waiting on my shit like the mega bus
I make em get Crunk and throw letters up
We different they act like they scared of us
Shout out to Migos for bringing it back but this triplet flow comes from Memphis
Still I'm stepping on necks ain't no shit I regret I'ma pop my shit and make em feel me
Know I'm blessed with a curse yea I'm gifted
MM3 so you know it's a killing
They say that my grandpa only got a week to live it's a lot that I deal with
Where your friends from your old videos Duke Deuce My circle got empty
Living life like a drunk driver I'll cut you off in a minute
Sick and tired of fake love if I fuck witcha know it's genuine
I love when they doubt and I love when they hate that shot be boosting my adrenaline
Offset signed me one foot and one foot out
Been a black sheep damn near all my life I'm always getting left out
I been neglected I don't hate my mother but shit that's a whole nother message
Chili bowl with the Shaqs on the kids used to always check me
15 popping pills with my uncle shit he used to always let me
Bullet almost hit my head in Nashville could've died but God ain't let me
I done spent plenty thousands of dollars on family for real they still don't respect
Shit on my name and I'm the 1 helping
Now I'm all out of love living wreck less
