Done roll with some niggas that I gotta roll on
Done ran with some hitters, I put a hit on
Long story short, ain't no love in my home

M.E.M.P.H.I.S my city known for pimping
2020 ain't shit changed

To be honest I ain't really used to having girlfriends
I'm used to hoes setting niggas up to bring they backs in
Tell the boys the packs in
It's time to bring the racks in
Wanna rob a Mac then you got to meet this MAC-10
Got the bows to hit the ring
Pack strong, it's Listerine
Shout me I'll give em hell
Don't eye ball it, I want the scale
Boy your underage
I do not fuck with 12
I was chucking up the racks way before I was 12
Fore I let a nigga tell
Ima go by myself
Too much money on me now
I'll send goons like some mail
Hoe don't ever get it twisted
I can rock by myself

I don't want to hit your shit
I only drink on top shelf
Hit your house with them shells
Turn that bitch to a snail
Then we dipped back to the mansion
That bitch big as a whale

Young rich nigga with them bows still like the rock
Duke he a fat nigga but don't get your hoes knocked
Bad bitch but still cut her off like a roadblock, uh
One thing for certain a bitch can't do is show stop, uh
Tryna be the crazy bitch
