Higher than them niggas from the 70s  
Zadie hit my body got me feelin' extra heavenly  
Duke Skywalker, smoke that shit so heavily  
High as seven heaven, think an angel wanna marry me  
I can't smoke with broke motherfuckers, I'm allergic  
That shit make me nervous appreciate your service  
Bitches wanna fuck me and just suck me cause they heard of me  
Kicked it on the moon then I fucked a bitch on Mercury  
Nigga, I'm just playin' mane sometimes I get ahead of me  
Don't smoke on no indica mane that shit there get the best of me  
And I heard you bought her, boy, I smashed her when I saw her  
Turned her to a stalker 'cause she fiendin' for that Duke Skywalker
