Niggas can not fuck with this shit Mafia everlasting  
Exotic whips our bitches thick we pop out with Kardashians  
Think this shit sweet put a hole in that boy like a cavity  
These hoes don't really like ya they just wanna fuck for status  
Nigga broke as hell pockets lookin' like they fasting  
Nigga try the TRIBE get to sliding like Michael Jackson  
We gone take ya down and it's all off the action  
I just burnt cha bitch down 'damn' dat was smackin'

Say we came in deep bitch this ain't even a fraction  
Fuckin' with the tribe shit get sticky like a cactus  
Snuck in with that fie strike em like some matches  
Yo bitch couldn't suck no dick  
I gave that bitch some practice  
You can tell I'm bent by the way I hit the corner  
Hop out smell like Gucci liquor and marijuana  
Triple m the business and bitch I'm the owner  
Nuts on my choppa leave ya stiffer than a boner

Aye Dubba wassup with dis hoe  
Can't waste time for none of these bitches too busy working these bows  
I just caught a duck serve 'em and lets go  
You know these pussy ass niggas don't play when we on Ross Road  
He was too sweet had to take em down  
Thadd grab the guns Dubba got the pounds  
556 make em climb a mountain  
We got smoke for yo body like a Black N Mild
