

# Perdido

Duke Ellington

Perdido,  
I look for my heart  
It's perdido  
I lost it way down in Torito  
The day the fiesta started

Bolero,  
I sway that they play the Bolero  
I kissed me the listing sombrero  
And that's when my heart departed

High, was the sun when I held him close  
Low, was the moon when we said, "Adios"

Perdido  
My heart ever since is Perdido  
I know I must go to Torito  
To find what I lost Perdido

(scat)

High, was the sun when I held him close  
Low, was the moon when we said, "Adios"

Perdido  
Goodnight perdido  
I lost perdido
