Duke Special

I am perfect
I am broken
I'm adored
I'm unspoken
I am lonely
I'm contented
I am sane
I'm half demented
I'm belief
I am science
I am peace
I am defiance
I'm the cause
I'm effect
I am sober
I am wrecked

I'm a whisper
I'm a choir
I'm a loser
I am on fire
I'm an extra
I'm director
I'm a pin drop
I'm Phil Spector
I am nothing
I'm forever
I am right now
I am never
I am brilliant
I am dumb
I am Deep Blue
I am ZX 81

I am black and white
I am colour
I am risk
I am mother
I am holy
I'm disaster
I am fucked
I am an answer

When all these fragments start to roar
Playing like an orchestra
Sometimes it's hard to hear yourself thik
It's like the words are crawling back inside the ink
The ink
