

Love Don't Hate It

Duncan Laurence

(Look at us, we could have it all)

I wasn't ready for this
I wasn't ready for my heart to drop
The way that it did
I can't deny, I can't deny
I feel it in every kiss
It's slowly taking over every thought
Have you been sleeping on it?
Well, so have I, so have I

Look at us, we could have it all
So damn right, that it should be wrong
Let's not complicate it
If it's love, don't hate it
Don't pull back if you start to fall
Let ourselves get a little lost
It's not complicate it
If it's love, don't hate it

Look at us, we could have it all
Look at us, we could have it all
But if we don't try, then we'll never know

Lay your head on my chest
I wish that we'd be like this every night
You don't got to be stressed
Just close your eyes, close your eyes
Feels good when I have you in my arms
Really think it's right where you belong

Look at us, we can have it all
So damn right, that it should be wrong
It's not complicate it
If it's love don't hate it
Don't pull back if you start to fall
Let ourselves get a little lost
It's not complicate it
If it's love don't hate it

Look at us, we could have it all
Look at us, we could have it all
But if we don't try, then we'll never know
But if we don't try, we'll never know
Look at us, we could have it all
Look at us, we could have it all
But if we don't try, then we'll never know

Oh-ooh-ooh
Oh-oh-oh-ooh-ooh
Oh-oh-oh-ooh-ooh
But if we don't try, we'll never know
But if we don't try, we'll never know
Oh-ooh-ooh
Oh-oh-oh-ooh-ooh
Oh-oh-oh-ooh-ooh
But if we don't try, we'll never know

But if we don't try, we'll never know

Look at us, we could have it all

Look at us, we could have it all

But if we don't try, then we'll never know
