

Silence

Duncan Laurence

You wouldn't know
From my head to my toes, my body is screaming
I won't let it show
Hoping the quiet will say what I'm feeling

No words
No words
Even though you need them more than ever
It hurts
It hurts
And nothing I can say will make it better

Oh oh oh...
Maybe there's no need to talk
This silence says it all
Oh oh oh...
Maybe there's no need to talk
This silence
Says it all

Holding me near
Try to be still while the ground keeps on shaking
Cover your ears
And all that we hear is our hearts as they're breaking

No words
No words
Even though you need them more than ever
It hurts
It hurts
And nothing I can say will make it better

Oh oh oh...
Maybe there's no need to talk
This silence says it all
Oh oh oh...
Maybe there's no need to talk
This silence

Is all of the tears we shared
Is all of the flaws we had
Is everything we got back
Is this silence

Oh oh oh...
Maybe there's no need to talk
This silence says it all
Oh oh oh...
Maybe there's no need to talk
This silence
Says it all
