

Wishes Come True

Duncan Laurence

Hey, how are you? Merry Christmas
I have a feeling you're feeling alone
You asked me if I have any wishes
I said maybe it's time that we get off the phone

You asked, "What is that all about?"
Well, I'm gonna show you right now

Put on your winter coat
I'll be outside
Meet me under the mistletoe
Baby, I'm falling for you
Like snow on a Christmas night

Ooh ooh ooh
When I'm with you
Ooh ooh ooh
Wishes come true

Some people wish for a sweater
Some only settle for diamonds and gold
But I can't think of anything better
Than holding your hand in the cold

Put on your winter coat
I'll be outside
Meet me under the mistletoe
Baby, I'm falling for you
Like snow on a Christmas night

Ooh ooh ooh
When I'm with you
Ooh ooh ooh
Wishes come true

Gifts worth giving
Don't need ribbons
Just a little
Love will do

Put on your winter coat
I'll be outside
Meet me under the mistletoe
Baby, I'm falling for you
Like snow on a Christmas night

Ooh ooh ooh
When I'm with you
Ooh ooh ooh
Wishes come true
Ooh ooh ooh
When I'm with you
When I'm with you
Wishes come true
