

# Cheapskate

Dune Rats

I'm a cheapskate  
A bottle of wine  
Cause I'm a cheap date  
Who has a good time

Yeah I'm a cheapskate  
A bottle of wine  
Cause I'm a cheap date  
Who has a good time

You got your friends with the benz in the hills  
Well I got my friends who are bent on some pill

Fake shoes, fake [?], acting like you don't care  
Listing the things that make you a nightmare  
Cruising with your top up with the top down  
Driving the car like we're tearin' around

The sun is in the bottle  
The summer's in the past  
And now you hit the bottom  
'Cause you just run outta gas

I'm a cheapskate  
A bottle of wine  
Cause I'm a cheap date  
Who has a good time

Yeah I'm a cheapskate  
A bottle of wine  
Cause I'm a cheap date  
Who has a good time

You got your friends with the benz in the hills  
Well I got my friends who are bent on some pills  
Yeah all of your friends with the benz in the hills  
Are callin' my friends, yes they all wanna chill

Thrills, chills, all types of spills  
I'm a cheapskate who's got the deals  
Everyone's having fun, got the feels  
Trippin' out the back, this can't be real

The sun is in the bottle  
The summer's in the past  
And now you hit the bottom  
'Cause you just run outta gas

I'm a cheapskate  
A bottle of wine  
Cause I'm a cheap date  
Who has a good time

Yeah I'm a cheapskate  
A bottle of wine  
Cause I'm a cheap date  
Who has a good time

You got your friends with the benz in the hills  
Well I got my friends who are bent on some pills  
Yeah all of your friends with the benz in the hills  
Are callin' my friends, yes they all wanna chill
