

Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah

Watched our life happen as we passed on by
First it was a way just to waste some time
Missed a lot of things but you saw this world
Sick, sick thing, now you're gonna get burned
(Sick, sick thing, now you're gonna get burned)

Everyone is crazy lately
All they ever want is a little bit more
Crazy lately
All they ever want is a little bit more

Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah

At first it was expensive, now it comes real cheap
You can get it from the shops, used to get it from the streets
Everything is legal so you never need sleep
Took a bunch of Xs now you can't get Zs
(Took a bunch of Xs now you can't get Zs)

Everyone is crazy lately
All they ever want is a little bit more
Crazy lately
All they ever want is a little bit more
Everyone is crazy lately
All they ever want is a little bit more
Crazy lately
All they ever want is a little bit more

Yeah-yeah (yeah-yeah
Yeah-yeah, yeah-yeah)
Yeah-yeah (yeah-yeah
Yeah-yeah, yeah-yeah)

Everyone is crazy lately
All they ever want is a little bit more
Crazy lately
All they ever want is a little bit more
Everyone is crazy lately
All they ever want is a little bit more
Crazy lately
All they ever want is a little bit more

Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah
Yeah-yeah, it gets to me
